

Pocketful of Sunshine- Natasha Bedingfield

I got a pocket, got a pocketful of sunshine.  
I got a love, and I know that it's all mine.  
Oh.

Do what you want, but you're never gonna break me.  
Sticks and stones are never gonna shake me.  
No.

Take me away: A secret place.  
A sweet escape: Take me away.

Take me away to better days.  
Take me away: A hiding place.

I got a pocket, got a pocketful of sunshine.  
I got a love, and I know that it's all mine.  
Oh.

Do what you want, but you're never gonna break me.  
Sticks and stones are never gonna shake me.  
No.

I got a pocket, got a pocketful of sunshine.  
I got a love, and I know that it's all mine.  
Oh.

Wish that you could, but you ain't gonna own me.  
Do anything you can to control me.  
Oh, no.

Take me away: A secret place.  
A sweet escape: Take me away.

Take me away to better days.  
Take me away: A hiding place.

There's a place that I go,  
But nobody knows.  
Where the rivers flow,  
And I call it home.

And there's no more lies.  
In the darkness, there's light.  
And nobody cries.  
There's only butterflies.

Take me away: A secret place.  
A sweet escape: Take me away.

Take me away to better days.  
Take me away: A hiding place.

Take me away: A secret place.  
A sweet escape: Take me away.

Take me away to better days.  
Take me away: A hiding place.

Take me away: A secret place.  
To better days take me away.

Take me away to better days.  
Take me away: A hiding place.

The sun is on my side.  
Take me for a ride.  
I smile up to the sky.  
I know I'll be all right.

The sun is on my side.  
Take me for a ride.  
I smile up to the sky.  
I know I'll be all right.

Second Chance- Shinedown

My eyes are open wide.  
By the way,  
I made it through the day.

I watch the world outside.  
By the way,  
I am leaving out today.

I just saw Haley's comet, she waved  
Said "why you always running in place?"  
Even the man in the moon disappeared,  
Somewhere in this stratosphere.

Tell my mother, tell my father  
I've done the best I can  
To make them realize,  
This is my life.  
I hope they understand,  
I am not angry I am just saying,

Sometimes good bye is a second chance

Please don't cry one tear for me  
I'm not afraid  
of what I have to say  
this is my one and only voice  
so listen close  
it's only for today

I just saw Haley's comet, she waved  
Said "why you always running in place?"  
Even the man in the moon disappeared,  
Somewhere in this stratosphere.

Tell my mother, tell my father  
I've done the best I can  
To make them realize,  
This is my life.  
I hope they understand,  
I am not angry I am just saying,

Sometimes good bye is a second chance.

Here is my chance.  
This is my chance!

Tell my mother, tell my father  
I've done the best I can  
To make them realize,  
This is my life.  
I hope they understand,  
I am not angry I am just saying,

Sometimes goodbye is a second chance.  
Sometimes goodbye is a second chance.

Sometimes goodbye is a second chance.

Shakedown- Bryant James

Yea  
Oh my God  
You feel that?

It starts with the beat, you can feel the pulse  
Just breathe, feel your body jolt,  
Move, if the mood is right,

Get yourself a glass, make your way to the floor,  
Shorty what's good, get it movin it slow,  
If she ain't wanna move please show her the door  
Cuz I ain't dealin' with the drama, I leave it at home, fo sho  
If a girl complain and start killin' the mood,  
I let her know that she got to go  
From the front to the back better get involved,  
this a shakedown, move away from the wall

Shakedown, report to the floor  
And get movin,  
Feel it in your soul,  
Take it higher,  
This ain't rock n' roll but a little thing I call lettin' it go

Shakedown, report to the floor  
And get movin,  
Feel it in your soul,  
Take it higher,  
This ain't rock n' roll but ya gotta find a way to let yourself go

Keep that body movin' right  
and I'mma take ya to the top of the good life (2x)

Everybody on the floor can you feel this vibe  
Get fired up!  
It's on tonight, got the lights down low and we gon live life  
Got bills to pay, uh huh  
But not today, uh uh  
Gonna run my tab up, cuz it's the shakedown

Shakedown, report to the floor  
And get movin,  
Feel it in your soul,  
Take it higher,  
This ain't rock n' roll but a little thing I call lettin' it go

Shakedown, report to the floor  
And get movin,  
Feel it in your soul,  
Take it higher,  
This ain't rock n' roll but ya gotta find a way to let yourself go

Live in the club from the VIP  
Shorty on deck with her arm on me  
She gotta be down for the shake um so  
Rockin' it like I'm Axel Rose  
Doin' my Michael Jackson  
Let's get this party crackin'  
Satisfaction guaranteed

And get movin,  
Feel it in your soul,  
Take it higher,  
This ain't rock n' roll but ya gotta find a way to let yourself go

That's Not My Name- The Ting Things (BR Edit)

Four little words just to get me along  
It's a difficulty and i'm biting on my tongue and I  
I keep stalling, keeping me together  
People around gotta find something to say now

Holding back, everyday the same  
Don't wanna be a loner  
Listen to me, oh no  
I never say anything at all  
But with nothing to consider they forget my name  
(ame, ame, ame)

They call me 'Her'  
They call me 'Stacy'  
They call me 'her'  
They call me 'Jane'  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me 'quiet girl'  
But i'm a riot  
Mary, Jo, Liza  
Always the same  
That's not my name  
That's not my name  
That's not my name  
That's not my name

I miss the catch if they throw me the ball  
I'm the last chick standing up against the wall  
Keep up, falling, these heels they keep me boring  
Getting glammed up and sitting on the fence now

So alone all the time and I  
Lock myself away  
Listen to me, i'm not  
Although i'm dressed up, out and all with  
Everything considered they forget my name  
(ame, ame, ame)

They call me 'Her'  
They call me 'Stacy'  
They call me 'her'  
They call me 'Jane'  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me 'quiet girl'  
But i'm a riot  
Mary, Jo, Lisa  
Always the same

That's not my name  
That's not my name  
That's not my name  
That's not my name

Are you calling me darling?  
Are you calling me bird?  
Are you calling me darling?  
Are you calling me bird?

...continues with chorus overlapping

Tell Me Something I Don't Know- Selena Gomez

Everybody tells me,  
That it's so hard to make it,  
Yet so hard to break it,  
And there's no way to fake it,  
Everybody tells me that it's wrong what I'm feeling,  
I shouldn't believe in,  
The dreams that I'm dreaming,

I hear it everyday,  
I hear it all the time,  
I'm never gunna amount to much,  
But they're never gunna change my mind.  
Oh!

Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know,  
Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know.

How many inches in a mile,  
What it takes to make you smile.  
Getcha not to treat me like a child, baby.

Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know.

Tell me, tell me something I don't know,  
Tell me, tell me something I don't know.

Everybody tells me I don't know what I'm doing,  
This life I'm pursuing,  
The odds of me loosing.

Everybody tells me that it's one in a million,  
More like one in a billion,  
Or one in a zillion.

I hear it everyday,  
I hear it all the time,  
I'm never gunna amount to much,  
But they're never gunna change my mind.  
Oh!

Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know,  
Tell me, tell me, tell me,

Something I don't know,  
Something I don't know,  
Something I don't know.

How many inches in a mile,  
What it takes to make you smile,  
Getcha not to treat me like a child, baby.

Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know,

[RAP]

Are you ready for it?  
Yeah I'm ready for it.  
Really ready for it?  
Yeah I'm ready for it.  
Let's get ready for this.

I'm on my way,  
I know I'm gonna get there someday,  
It doesn't help when you say,  
It won't be easy.

Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know,  
Tell me, tell me, tell me,  
Something I don't know,  
Something I don't know,  
Something I don't know.

How many inches in a mile,  
What it takes to make you smile,  
Getcha not to treat me like a child, baby.

Tell me, tell me, tell me,  
something I don't know,  
something I don't know,  
something I don't know,  
Tell me, tell me, tell me,  
something I don't know,  
something I don't know,  
something I don't know,  
Tell me, tell me, tell me,  
something I don't know,  
something I don't know,  
something I don't know.

How many inches in a mile,  
What it takes to make you smile,  
Getcha not to treat me like a child, baby.

Tell me, tell me, tell me,  
something I don't know,  
something I don't know,  
something I don't know!

Tonight- Jonas Brothers

Well here we are again  
Throwing punch lines, no one wins  
As the morning sun begins to rise  
We're fading fast  
And we won't work this out

No, we're not gonna work this out tonight  
(We won't work this out)  
No, we're not gonna make this right  
So I'll give a kiss and say goodbye  
(Give a kiss goodbye)  
'Cause we're not gonna work this out  
Tonight

Every single word's been said  
(whoa oh oh)  
Broke each others hearts again  
(oh oh oh)  
As the starlit sky begins to shine  
We're breaking down  
She screams out

No, we're not gonna work this out tonight  
(We won't work this out)  
No, we're not gonna make this right  
So I'll give a kiss and say goodbye  
(Give a kiss goodbye)  
'Cause we're not gonna work this out  
Tonight

We don't have to fight  
Tonight  
We just gotta try  
Tonight  
(We're gonna work this out)  
We don't have to fight  
Tonight  
We just gotta try  
Tonight

No, we're not gonna work this out tonight  
(We won't work this out)  
No, we're not gonna make this right  
So I'll give a kiss and say goodbye  
(Give a kiss goodbye)  
'Cause we're not gonna work this out  
Tonight

Well there's no need to fight  
We're just wasting time  
(Tonight)  
If you give it a try  
Well then maybe you'll find  
(We might work this out)  
Well we know we're in love

So let's keep it alive  
Keep it alive, keep it alive  
(Tonight)  
I'm starting to see the morning light  
We finally worked this out

Use Somebody- Kings of Leon

I've been roaming around  
Always looking down at all I see  
Painted faces fill the places I can't reach

You know that I could use somebody  
You know that I could use somebody

Someone like you  
And all you know  
And how you speak  
Countless lovers undercover of the street

You know that I could use somebody  
You know that I could use somebody  
Someone like you

Off in the night  
While you live it up I'm off to sleep  
Waging wars to shape the poet and the beat

I hope it's gonna make you notice  
I hope it's gonna make you notice

Someone like me  
Someone like me  
Someone like me  
Somebody

Someone like you  
Somebody  
Someone like you  
Somebody  
Someone like you  
Somebody

I've been roaming around  
Always looking down at all I see

Welcome to the world, welcome to the world

You got your popstar, ill be your rockstar  
She saw the bright lights, you call it superstar  
Check out the forecast, predictions wont stop  
You get your fifteen, and then they take the spot

And then you're ready to go  
Lets go lets go  
Cause it's the end of the show  
Lets go lets go  
So just get ready to go  
Lets go lets go  
Lets go lets go

All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Ok, hello, welcome to the world

She saw the bright lights  
She caught the fever  
She got contagious  
She never leave it  
So no more time spent  
And no more free-free  
In fact this free ride has reached its destination

Lets go, lets go  
And then you're ready to go  
Lets go lets go  
Cause it's the end of the show  
Lets go lets go  
And when its over, you'll know  
Lets go lets go  
Lets go lets go

All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Ok, hello, (welcome to my world) welcome to the world

All the time that you were gone,  
I thought about how things went wrong  
Now youre coming down to earth  
Ok, hello, welcome to the world

Welcome to the world, welcome to the world, welcome to the world,

When the Wind Blows- All- American Rejects

I've got to breathe  
You can't take that from me  
Cause it's all that you left that's mine  
You had to leave  
And that's all I can see  
But you told me your love was blind

There are times  
You're so impossible that I should sign a waiver  
And you will find  
Someone worth walking on when you ask me to go

(Chorus)  
I'll leave when the wind blows  
Take a breath and there it goes  
I'll be outside of your window  
I'll pass by but I'll go slow  
I'll leave when the wind blows

There was a day  
You threw our love away  
Then you passed it to someone new  
You wanna stay  
But since you wanna play  
We can finally say we're through

There are times you're so impossible and you ask me to go

(Chorus)  
I'll leave when the wind blows  
Take a breath and there it goes  
I'll be outside of your window  
I'll pass by but I'll go slow  
I'll leave when the wind blows

You can scream there's just echoes  
Pass outside of your window  
You'll be sad that you let me go  
I'll leave but just know

As I lay in solitude  
Oh What's a boy supposed to do  
I Shake the very thought of you  
Me together, I remember

Late nights when I stayed up late  
All I do is wait and wait  
Your never coming home to me  
That's the hardest thing to see

I got to breathe  
You can't take that from me  
We can finally say we're through

(Chorus)

I'll leave when the wind blows  
Take a breath and there it goes  
I'll be outside of your window  
I'll pass by but I'll go slow  
I'll leave when the wind blows

You can scream there's just echoes  
Pass outside of your window  
You'll be sad that you let me go  
On every face you'll ever know  
And everywhere you ever go  
You'll feel when the wind blows

## You Belong With Me-Taylor Swift

You're on the phone with your girlfriend, She's upset  
She's going off about something that you said  
She doesn't get your humour like I do

I'm in the room, it's a typical Tuesday night  
I'm listening to the kind of music she doesn't like  
And she'll never know your story like I do

But she wears skirts, I wear t-shirts  
She's cheer captain and I'm on the bleachers  
Dreaming bout the day when you'll wake up and find  
That what you're lookin' for has been here the whole time

If you could see that I'm the one who understands you  
Been here all along so why can't you see?  
You belong with me  
You belong with me

Walkin' the streets with you in your worn out jeans  
I can't help thinking this is how it ought to be  
Laughing on a park bench thinkin' to myself  
Hey isn't this easy?

And you've got a smile that could light up this whole town  
I haven't seen it in awhile, since she brought you down  
You say your fine I know you better than that  
Hey, Whatcha doing with a girl like that?

She wears high heels, I wear sneakers  
She's cheer captain and I'm on the bleachers  
Dreaming bout the day when you'll wake up and find  
That what you're looking for has been here the whole time

If you could see that I'm the one who understands you  
Been here all along so why can't you see?  
You belong with me

Standin' by, waiting at your back door  
All this time how could you not know that?  
You belong with me  
You belong with me

Oh I remember you driving to my house in the middle of the night  
I'm the one who makes you laugh when you know you're about to cry  
I know your favorite songs and you tell me about your dreams  
I think I know where you belong. I think I know it's with me.

Can't you see that I'm the one who understand you?  
Been here all along so why can't you see?

You belong with me

Standing by or waiting at your back door  
All this time how could you not know that  
You belong with me  
You belong with me

Have you ever thought just maybe  
You belong with me  
You belong with me

She make me beg for it till she give it up.  
And I say the same thing every single time.

Shawty, I'll be over there  
I'll be hitting all the spots that u ain't even know was there  
Ha. And you ain't even have to ask twice  
You can have my heart or we can share it like the last slice  
Always felt like you was so accustom to the fast life  
Have a nigga thinking that he met you in a past life  
Sweat pants, hair tied, chilling with no make up on  
Thats when your the prettiest  
I hope that you don take it wrong  
You don't even trip when friends say you ain't bringing Drake along  
You know that I'm working I'll be there soon as I make it home  
And she a patient in my waiting room  
Never pay attention to them rumors and what they assume  
And until them girls prove it  
I'm the one to Never get confused with Cause.

Baby you my everything you all i ever wanted.  
We can do it real big.  
Bigger then you ever done it.  
You be up on everything.  
Other hoes ain't never on it.  
I want this forever, i swear i can spend whatever on it.

Cause she hold me down everytime i hit her up.  
When i get right i promise that we gon live it up.  
She make me beg for it till she give it up.  
And I say the same thing every single time.

I say you the f\*\*\*ing best.  
You the f\*\*\*ing best.  
You the f\*\*\*ing best.

You the f\*\*\*ing best.  
You the best i ever had.  
Best I ever had.

Sex, Love, Pain  
Baby I be on that tank sh\*\*  
Buzz so big i could prolly sell a blank disk  
When my album drop  
bi\*\*\*es will buy it for the picture  
And niggas will buy it too and claim they got it for they sister  
Magazine paper girl  
But money ain't the issue  
They bring dinner to my room and ask me to initial  
She call me the referee  
Cause I be so official  
My shirt ain't got no stripes but I can make yo p\*\*\*\* whistle  
Like the Andy Griffith theme song  
And who told you to put them jeans on  
double cup love  
You the one i lean on  
Feeling for a fix then you should really get yo pheen on  
Yea just know my condo is the crack spot  
Every single show she out there repping like a mascot  
Get it from the back  
And make yo f\*\*\*ing bra strap pop  
All up in yo slot until the nigga hit the jackpots
